## **My Burial Plan**

The average funeral in the Untied States can easily cost \$8,000 or more (including a burial plot). Many people do not plan for their funerals or allocate funds for their funerals, although more and more are doing so. I have decided to provide the following guidance to make this process easier for those I leave behind.

I have a prepaid funeral contract with:	My Name is:
I have designated above whether I prefer to be buried or cremated.  I have a prepaid funeral contract with:	My religious background is:
	I attend services at:
If I designated that I prefer to be buried, my preference is that I be interred at:  The person I want officiating at my burial service is:	I have designated above whether I prefer to be buried or cremated.
