

## SECTION 1006 – Adult Protective Services Section Structure

<b>SUMMARY STATEMENT:</b>	The Director of the Division of Aging Services administers and provides oversight through the Adult Protective Services Section.
<b>BASIC CONSIDERATIONS</b>	<p>All state level and field operations are managed by the Section Manager for Adult Protective Services. The Division and its APS Section provide statewide program management and development.</p> <p>All APS reports are received by Central Intake.</p> <p>Field operations consist of a regional approach that mirrors the 12 planning and service areas (PSAs) for the Division of Aging Services. The PSA regions are further organized into APS districts. District Managers and Supervisors are responsible for program management and supervision at the field level. Supervisors have direct responsibility for supervision of Case Management staff.</p>
